

Prayer in Reparation for Demonic Idolatry in the Vatican

Most Holy Trinity, Father, Son and Holy Ghost, receive through the hands of the Immaculate Virgin Mary Mother of God, our sincere and contrite act of reparation for the idolatry of wooden idols, which occurred in Rome during the Synod for the Amazon.

Pour out your Holy Spirit into the hearts of Our Holy Father Pope Francis, the bishops and all who participated; that the darkness of their minds might be expelled, that they might recognize the impiety of such acts, and instead turn to offer you acts of reparation.

Pour out into all members of the Church the fullness and beauty of the Catholic Faith. Enkindle in them a burning zeal to bring the salvation of Jesus Christ to all mankind, especially to the Amazonian tribes, who remain enslaved in the service of deaf and mute idols, who possess neither the freedom nor the happiness that come with sharing in the Divine Life of Jesus Christ.

Most Holy Trinity, Father, Son and Holy Ghost; one True God, besides Whom there is no other god and no other other salvation, have mercy upon your Church. Look especially upon the little ones; upon the tears and prayers of children, of young men and women, of the fathers and mothers of families, and of all true Christian heroes, zealous for your glory and for Holy Mother Church. Have mercy on us, O Lord! *Parce Domine, parce populo tuo!* Have mercy on us! *Kyrie eleison!* Amen.
